LGA Committee Member Application

LGA committees perform essential work and are the backbone of our organization. Committees usually meet at each of the two annual LGA conferences and may also meet by telephone conference call. The LGA President appoints each committee member for a two year term which begins in January. Committee members are eligible to be reappointed for a second two-year term.

If you would like to be considered for appointment to a committee, please check the appropriate box below and attach a separate sheet with additional information you would like considered (e.g., your qualifications or reason for wanting to serve). If you would like to be considered for more than one committee, you may rank your interests. If you are not appointed for an upcoming vacancy, your committee membership interest will be maintained in a database for future consideration.

The primary task of each committee is listed below; extensive detail regarding the work of the committees is available on the Committees page on LGA's website, lgava.org.
