

LGA 2017 REGIONAL SEMINAR SCHOLARSHIP APPLICATION

The Local Government Attorneys of Virginia, Inc. (LGA) is a group of public and private attorneys whose practice focuses on serving the public by providing premier legal representation to local and state governing bodies throughout the Commonwealth of Virginia. The LGA's aim is to provide members the highest quality continuing legal education through semi-annual three-day conferences and an annual one-day regional seminar, as well as other educational events held throughout the year.

The LGA Board of Directors invites recent law school graduates (within the past three years) who work for a Virginia locality in a post-graduate fellowship or similar position for which they receive a stipend or no compensation to submit applications for scholarship attendance at its regional seminar. Chosen individuals may attend the educational programs without charge. Travel expenses are the responsibility of the scholarship recipient. A list of the sessions will be posted on LGA's [website](#) under the conference tab.

The 2017 Regional Seminar will be held at the Craddock Terry Hotel & Event Center in Lynchburg on Friday, June 30th.
