

2. What areas of federal policy would you like to see studied and reported on by the LGA ad hoc commi ttee?

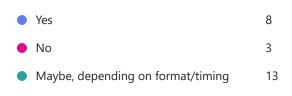

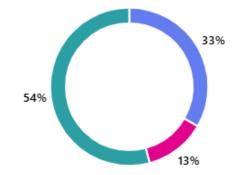

- 3. Please RANK the areas of federal policy you would like to see studied and reported on by the LGA ad hoc committee.
 - 1 Grants (e.g., termination of existing grants, new conditions on grant eligibility)
 - 2 Litigation (e.g., federal preemption, executive orders, class actions affecting local governments)
 - 3 Immigration and public safety (e.g., "sanctuary
 - cities," ICE cooperation/coordination with local law...
 Housing and urban development (e.g., CDBG
 - changes, public housing changes, homelessness...
 Diversity, Equity, and Inclusion (e.g., restrictions on
 - services to protected groups, funding threats)
 Environmental / natural disaster policy (e.g., FEMA)
 - 6 response policy changes, regulatory changes,...
 - 7 Education policy (e.g., OCR enforcement actions, charter schools, public school programming and...
 - 8 Other

4. Would you be interested in participating in a recurring forum to discuss these topics?

5. What format would you prefer for such a forum?

6. Do you have any additional comments, suggestions, or ideas for how this effort could be most useful to the LGA?
